SIR,

Adverting to correspondence ending with G.O.No.R.11125-6/Ml 167-15-10 dated the 24th March 1920, I have the honour to forward herewith, for your information and orders, a copy of letter No 255 of the 9th March 1921 from the Executive Engineer, Water Supply Division, to the address of the Deputy Commissioner, Chitaldrug District, requesting that the period of amalgamation of the Harihar and the Davangere (now called Narasimharaja) water works be further extended by another 15 months

2 If the continuance of the amalgamation of the two water works is not sanctioned, arrangements have to be made at once to keep in readiness the pump and filters at the Harihar Water Works for further work

I have the honour to be,

The amalgamation of the Davangere and Harihar Water Works for a period of 15 months

---

With reference to Government Order No R 5043-5/M1 167-15-5 dated the 21st January 1920, sanctioning the amalgamation for 15 --- months, I have the honour to state that the period of amalgamation sanctioned expires on the 1st August 1921 I stated in my letter No 124 dated the 9th December 1915 that the period of amalgamation may be 3 to 4 years but in the Government Order, the period is fixed only as 15 months No arrangements have been made regarding the --- installation of a new pumping plant for Harihar and the conditions of the market remain still as abnormal as they were before and it is --- therefore not available even now to think for a separate scheme for Harihar Water Supply on a more satisfactory basis I therefore ---- request you to be good enough to kindly take necessary action to get the sanction to the amalgamation extended to a further period of ---- 15 months

2 Requesting the favour of a very early reply
